

# EXHIBIT 2

**Jason W. Krellman, Ph.D., ABPP (CN, RP)**

Phone: 609 – 892 – 9877

E-mail: jkrellman@verizon.net

**Education**

|       |                                  |                             |
|-------|----------------------------------|-----------------------------|
| 10/09 | Ph.D., Clinical Neuropsychology  | City University of New York |
| 5/07  | M.Phil, Neuropsychology          | City University of New York |
| 5/05  | M.A., Psychology                 | Queens College/CUNY         |
| 5/01  | B.A., Psychology (Writing minor) | Stockton University         |

**Professional Credentials**

|      |   |
|------|---|
| 3/11 | Licensed Psychologist – New York State #019043  |
| 4/14 | Board Certification in Clinical Neuropsychology, American Board of Professional Psychology – diploma #7576  |
| 2/17 | Board Certification in Rehabilitation Psychology, American Board of Professional Psychology – diploma #8300 |

**Honors**

|             |  |
|-------------|--|
| 10/10       | National Institute on Disability and Rehabilitation Research (NIDRR) Fellow Platform Presenter, American Congress of Rehabilitation Medicine |
| 9/07        | CUNY Writing Fellowship Award, Graduate Center/CUNY  |
| 9/06        | Graduate Research Fellowship Award, Graduate Center/CUNY   |
| 1/03, 9/06  | University Fellowship Award, Graduate Center/CUNY  |
| 5/01        | Research Distinction Award, Richard Stockton College   |
| 5/99 – 5/01 | Dean's List, Richard Stockton College  |
| 5/99        | Psi Chi National Psychology Honor Society, Richard Stockton College  |

**Professional Memberships**

|           |  |
|-----------|--|
| 2017 –    | American Academy of Rehabilitation Psychology  |
| 2014 –    | American Psychological Association, Division 40 (Clinical Neuropsychology) – Professional Affiliate  |
| 2014 –    | American Psychological Association, Division 22 (Rehabilitation Psychology) – Professional Affiliate |
| 2014 –    | American Academy of Clinical Neuropsychology   |
| 2009 – 15 | American Congress of Rehabilitation Medicine   |
| 2007 –    | New York Neuropsychology Group   |

**Professional Activities**

- 2016 – Board of Directors, New York Neuropsychology Group
- 2014 – American Board of Clinical Neuropsychology Practice Sample Reviewer
- 2014 – American Board of Clinical Neuropsychology Board Certification Mentor
- 2012 – 2015 American Congress of Rehabilitation Medicine Clinical Practice Committee

**Clinical Positions**

- 12/15 – Attending Neuropsychologist, Department of Neurology, Division of Cognitive Neuroscience, Columbia University Medical Center, New York, NY
- 5/13 – Private practice in medicolegal/forensic neuropsychology. Experience with affidavit preparation, deposition, and provision of expert testimony in civil and criminal matters
- 5/13 – 10/15 Attending Neuropsychologist, Department of Rehabilitation Medicine Faculty Practice Associates, Mount Sinai Medical Center, New York, NY
- 10/11 – 4/13 Staff Psychologist, Department of Psychology/Neuropsychology (Outpatient Service), Rusk Institute of Rehabilitation Medicine, NYU Langone Medical Center, New York, NY

**Academic Positions**

- 12/15 – Assistant Professor of Neuropsychology (in Neurology), Columbia University College of Physicians and Surgeons
- 11/15 – 8/16 Adjunct Assistant Professor of Rehabilitation Medicine, Icahn School of Medicine at Mount Sinai
- 4/13 – 10/15 Assistant Professor of Rehabilitation Medicine, Icahn School of Medicine at Mount Sinai; Director of Postdoctoral Training in Clinical Neuropsychology and Advanced Rehabilitation Research
- 1/12 – 3/13 Clinical Instructor of Rehabilitation Medicine, New York University School of Medicine
- 9/12 – Adjunct Assistant Professor (Graduate Programs), Department of Psychology, Hunter College
- 9/07 – 8/08 CUNY Writing Fellow, Division of Mathematics and Natural Sciences, Queens College
- 2/07 – 6/08 Manager, Laboratory of Growth Factors & Cytokine Neurobiology, Queens College
- 6/06 – 8/06 Adjunct Lecturer (Behavioral Neuroscience), City College of New York
- 1/06 – 8/07 Adjunct Lecturer (Psychology of Aging), Queensborough Community College
- 1/06 – 1/07 Assistant Manager, Laboratory of Growth Factors & Cytokine Neurobiology, Queens College
- 1/05 – 5/05 Adjunct Lecturer (Physiological Psychology), Brooklyn College
- 9/03 – 8/09 Adjunct Lecturer (Experimental Psychology, Adult Development and Aging), Queens College

**Professional Training**

- 9/09 – 9/11 Post-doctoral Fellowship, Clinical Neuropsychology (Traumatic Brain Injury) and Rehabilitation Research, Department of Rehabilitation Medicine, Mount Sinai School of Medicine, New York, NY
- 7/08 – 6/09 Pre-doctoral Internship, Clinical Neuropsychology (Epilepsy/Movement Disorders), North Shore/Long Island Jewish Medical Center, Manhasset, NY
- 9/06 – 6/08 Pre-doctoral Externship, Clinical Neuropsychology (Aging & Dementia), Columbia University Medical Center, New York, NY
- 9/05 – 6/08 Pre-doctoral Externship, Clinical Psychology (Geropsychology), Zucker-Hillside Hospital, Glen Oaks, NY
- 9/05 – 8/06 Pre-doctoral Externship, Clinical Neuropsychology (Neurological Surgery), New York Presbyterian Hospital, New York, NY
- 1/05 – 1/06 Pre-doctoral Externship, Clinical Neuropsychology (General Neuropsychology), Long Island Jewish Medical Center, Glen Oaks, NY

**Research Skills****Basic/bench**

Animal injections and sacrifices  
 Stereotaxic animal surgeries and procedures  
 Animal behavioral testing  
 Supervision of junior researchers  
 Tissue processing, microscopy, and analysis

**Clinical**

Participant recruitment and consenting  
 Participant interviewing  
 Survey/test design and construction

**Grant Support**

10/1/2012 – 4/30/2013 Co-investigator

National Institute on Disability and Rehabilitation Research (H133A1200100)  
 Rusk Rehabilitation TBI Model System at New York University Medical Center  
 PI: Tamara Bushnik, Ph.D.

5/1/2012 – 10/5/2015 Co-Investigator

Centers for Disease Control and Prevention (R49-CE-002092-01)  
 Mount Sinai Injury Control Research Center  
 PI: Wayne Gordon, Ph.D.

**Grant Support (cont.)**

11/1/14 – 9/30/2015

Principal Investigator

National Institute on Disability and Rehabilitation Research (H133P100016 – 11)  
Advanced Rehabilitation Research Training Program

5/1/2012 – 10/31/14

Co-Investigator

National Institute on Disability and Rehabilitation Research (H133P100016 – 11)  
Advanced Rehabilitation Research Training Program  
PI: Marcel Dijkers, Ph.D.

**Research Abstracts**

**Krellman, J.W.**, Kintner, L.J., Kasselman, E., Pasnikowski, N., Papadopoulos, J.S., Rudge, G.D., *et al.* (2003, November). *The anti-inflammatory agent dexamethasone inhibits VEGF-induced angiogenesis in adult rat brain*. Poster presentation at the annual meeting of the Society for Neuroscience, New Orleans, Louisiana, U.S.A.

Ackerman, T.F., **Krellman, J.W.**, Fox, L., Elkady, A., Kasselman, L.J. & Croll, S.D. (2003, November). *VEGF induces neuronal and astroglial hypertrophy in adult rat cortex independent of vascular leak and inflammation*. Poster presentation at the annual meeting of the Society for Neuroscience, New Orleans, Louisiana, U.S.A.

**Krellman, J.W.**, Mondrow, B.Y., Kosolapov, A., Marciano, V.A. & Croll, S.D. (2004, November). *Heparin-binding growth-associated molecule (HB-GAM)-deficient mice display reticent and perseverative behavior suggestive of cognitive rigidity*. Poster presentation at the annual meeting of the Society for Neuroscience, San Diego, California, U.S.A.

**Krellman, J.W.**, Kosolapov, A., Zakarian, I.A., Nusbacher, S., Rottingen, B.L., Bloch, R.G., *et al.* (2006, October). *Heparin-binding growth-associated molecule (HB-GAM)-deficient mice display contextual neophobia across multiple paradigms*. Poster presentation at the annual meeting of the Society for Neuroscience, Atlanta, Georgia, U.S.A.

**Krellman, J.W.**, Ruiz, H.H. & Croll, S.D. (2008, November). *Mice deficient in heparin-binding growth-associated molecule (HB-GAM) exhibit reductions in neuronal area and inter-neuronal distance in the entorhinal cortex*. Poster presentation at the annual meeting of the Society for Neuroscience, Washington, D.C., U.S.A.

Perrine, K., Klein, G., **Krellman, J.**, Ettinger, A., Schneider, S., Mehta, A., *et al.* (2009, December). *Patterns of non-left language dominance in Wada testing*. Poster presentation at annual meeting of the American Epilepsy Society, Boston, Massachusetts, U.S.A.

**Research Abstracts (cont.)**

**Krellman, J.W.** (2010, October). *Factors predictive of longitudinal response pattern in the Traumatic Brain Injury Model Systems (TBIMS)*. Platform presentation at the NIDRR Fellows' Symposium, American Congress of Rehabilitation Medicine Annual Meeting, Montreal, Quebec, Canada.

**Krellman, J.W.** (2011, June). *Predictors of longitudinal response pattern in the Traumatic Brain Injury Model Systems (TBIMS)*. In symposium (chair), "Attrition in Longitudinal Studies of TBI: Who's lost, what's the danger, and what can be done about it?" Platform presentation at Third Federal Interagency Conference on Traumatic Brain Injury, Washington, D.C., U.S.A.

**Krellman, J.W.** (2012, February). *Attrition in the Traumatic Brain Injury Model Systems (TBIMS)*. In symposium (chair), "Attrition in longitudinal studies of TBI: Who's really being followed?" Platform presentation at Santa Clara Valley Brain Injury Conference, San Jose, California, U.S.A.

Bertisch, H.C., **Krellman, J.W.**, Clark, A., Dreer, L., Rath, J. F., Bergquist, T. & Bushnik, T. (June, 2014). *Cognition and suicidality as predictors of firearm injury: A National Institute on Disability and Rehabilitation Research TBI Model Systems National Database analysis*. Poster presented at American Academy of Clinical Neuropsychology annual meeting, New York, NY, USA.

Kaplan, E., Gordon, W.A., **Krellman, J.W.** & Spielman, L. (October, 2015). *Associations between self-discrepancy, perfectionism, depression and anxiety in individuals with TBI*. Poster presented at American Congress of Rehabilitation Medicine Annual Meeting, Dallas, TX, USA.

Paretsky, M.S., Gordon, W.A., **Krellman, J.W.** & Spielman, L. (October, 2015). *Objective and subjective measures of cognitive fatigue in traumatic brain injury*. Poster presented at American Congress of Rehabilitation Medicine Annual Meeting, Dallas, TX, USA.

**Clinical/Academic Presentations**

**Krellman, J.W.** (2016, April). *Neuropsychological aspects of concussion evaluation and treatment*. Guest lecture for optometry doctoral students. State University of New York Optometric Center, New York, NY.

**Krellman, J.W.** & Kaplan, E.R. (2015, July). *Traumatic brain injury: A primer for optometrists*. Training workshop for optometrists and optometry residents. State University of New York Optometric Center, New York, NY.

Silver, J., **Krellman, J.W.**, & Elliott, C.S. (2014, March). *Mood disorders following traumatic brain injury*. Workshop at the annual meeting of the Brain Injury Alliance of Connecticut, Hartford, CT.

**Clinical/Academic Presentations (cont.)**

**Krellman, J.W.** & Kajankova, M. (2014, February). *An overview of traumatic brain injury*. Invited lecture for SelfHelp, Inc., New York, NY.

**Krellman, J.W.** (2010, March). *Patients' (brief) guide to neuropsychological testing*. Ask the Experts: A Forum for Individuals with Brain Injury and Their Families, New York State Brain Injury Association, Mount Sinai Medical Center.

**Krellman, J.W.** (2006, September). *Heparin-binding growth-associated molecule (HB-GAM)-deficient mice display cognitive rigidity and contextual neophobia*. Annual Research Symposium of the Neuropsychology Doctoral Program, Queens College of the City University of New York.

**Krellman, J.W.** (2005, March). *What you need to do well in any experimental psychology course*. Psi Chi lecture series, Queens College of the City University of New York.

**Krellman, J.W.** (2003, August). *Vascular endothelial growth factor (VEGF) as an agent of neuronal and glial hypertrophy*. Biology Department colloquium, Queens College of the City University of New York.

**Book Chapters**

**Krellman, J.W.**, Tsaousides, T. & Gordon, W.A. *Neuropsychological interventions following traumatic brain injury*. In M.J. Ashley (Ed.), *Traumatic Brain Injury: Rehabilitative Treatment and Case Management – Fourth Edition*. Boca Raton, FL: Taylor & Francis. In press.

Tsaousides, T. & **Krellman, J.W.** (2016). *Chronic neuropsychiatric sequelae II: Behavioral disturbances*. In Zollman, F.S. (Ed.), *Manual of Traumatic Brain Injury Management – Second Edition*. New York, NY: Demos Medical Publishing.
